

**Another Path?** (10/20/2000)

Victim – Survivor

Two paths, but which to choose?

Which will be the way to healing?

Universe, you bring me to my knees again

show me the path.....

or is there a new one,

another choice I can't yet see?

I never stay long on the path of victim  
my anger takes me to the survivor's road  
perhaps neither way is the way to Truth  
to healing  
to connection and oneness with all?

Perhaps it's already there, all around me  
and it's my need  
to be in control of my destiny  
that prevents clear Sight?
